Dry times at 21°C / 70°F and 40%-60% R.H.:

To Touch:	1 hour
To Handle:	6 hours
To Overcoat:	6 hours minimum

PRODUCT HAZARDS _SAFETY INFORMATION:

See Material Safety Data Sheet for complete Health and Safety information.

This product is flammable. Do not smoke when using this product and ensure that there are no ignition sources (i.e. pilot lights, gas appliances, power tools and other electrical devices) in the area of use. Do not use in confined areas without the proper safety precautions/equipment.

ADDITIONAL DATA:

Product tends to darken tone of wood, test on scrap or a small inconspicuous area for appearance before application. A light sanding is recommended before top coat is applied (after product is allowed to dry 6 hours or more).

Wood fillers and stains may be used under the sealer.

Brushing recommended because the brushing action will promote penetration of the product into the wood.
