- Moody Indigo 309E
- Mineral Blue 211G
- Whitewisp 422A

Craft a home office space where you feel productive. Moody Indigo is a traditional comfort shade that gives a home work area a sleek, professional feel. Mineral Blue on the ceiling and crown molding creates a calming influence in high-stress spaces.

A traditional gathering spot gets a rethink with this grouping. Bleached Pebble walls and Whitewisp trim evoke a relaxed mood and lived-in charm. North Hampton is bold without being overwhelming and softer muted Cedar Mill adds a neutral vibe.

Bricks painted with Thundercloud and calming Bleached Pebble on the floor create a meditative space and help you unwind. Add a hue like Stucco to feel warm and protected, and the stage is set for positive thinking.
